Welcome Remarks

- **My thanks to….**
  - ✓ The National Guard Professional Education Center, our host for the WJTSC 06-1, the 5th year they have supported this key event
  - ✓ The USJFCOM/JWFC for their support to the Chairman in conducting the WJTSC 06-1
  - ✓ Combatant Commands, Combat Support Agencies, the Services, OSD the National Guard, and the Department of Homeland Security for attending and adding their collective wisdom to improving joint training and readiness
  - ✓ All the officers, enlisted and civilians who work behind the scenes to make this a world class training conference
- **Transformation is now a way of life in DOD: Concepts, Ideas, Processes, Organizations, Training, Readiness and Programs**

Chairman's Guidance

Vision:

"Everyone required to conduct military operations will be trained, under realistic conditions and to exacting standards, prior to execution of those operations. People selected for joint assignments will be trained prior to reaching their duty location."

Goals—

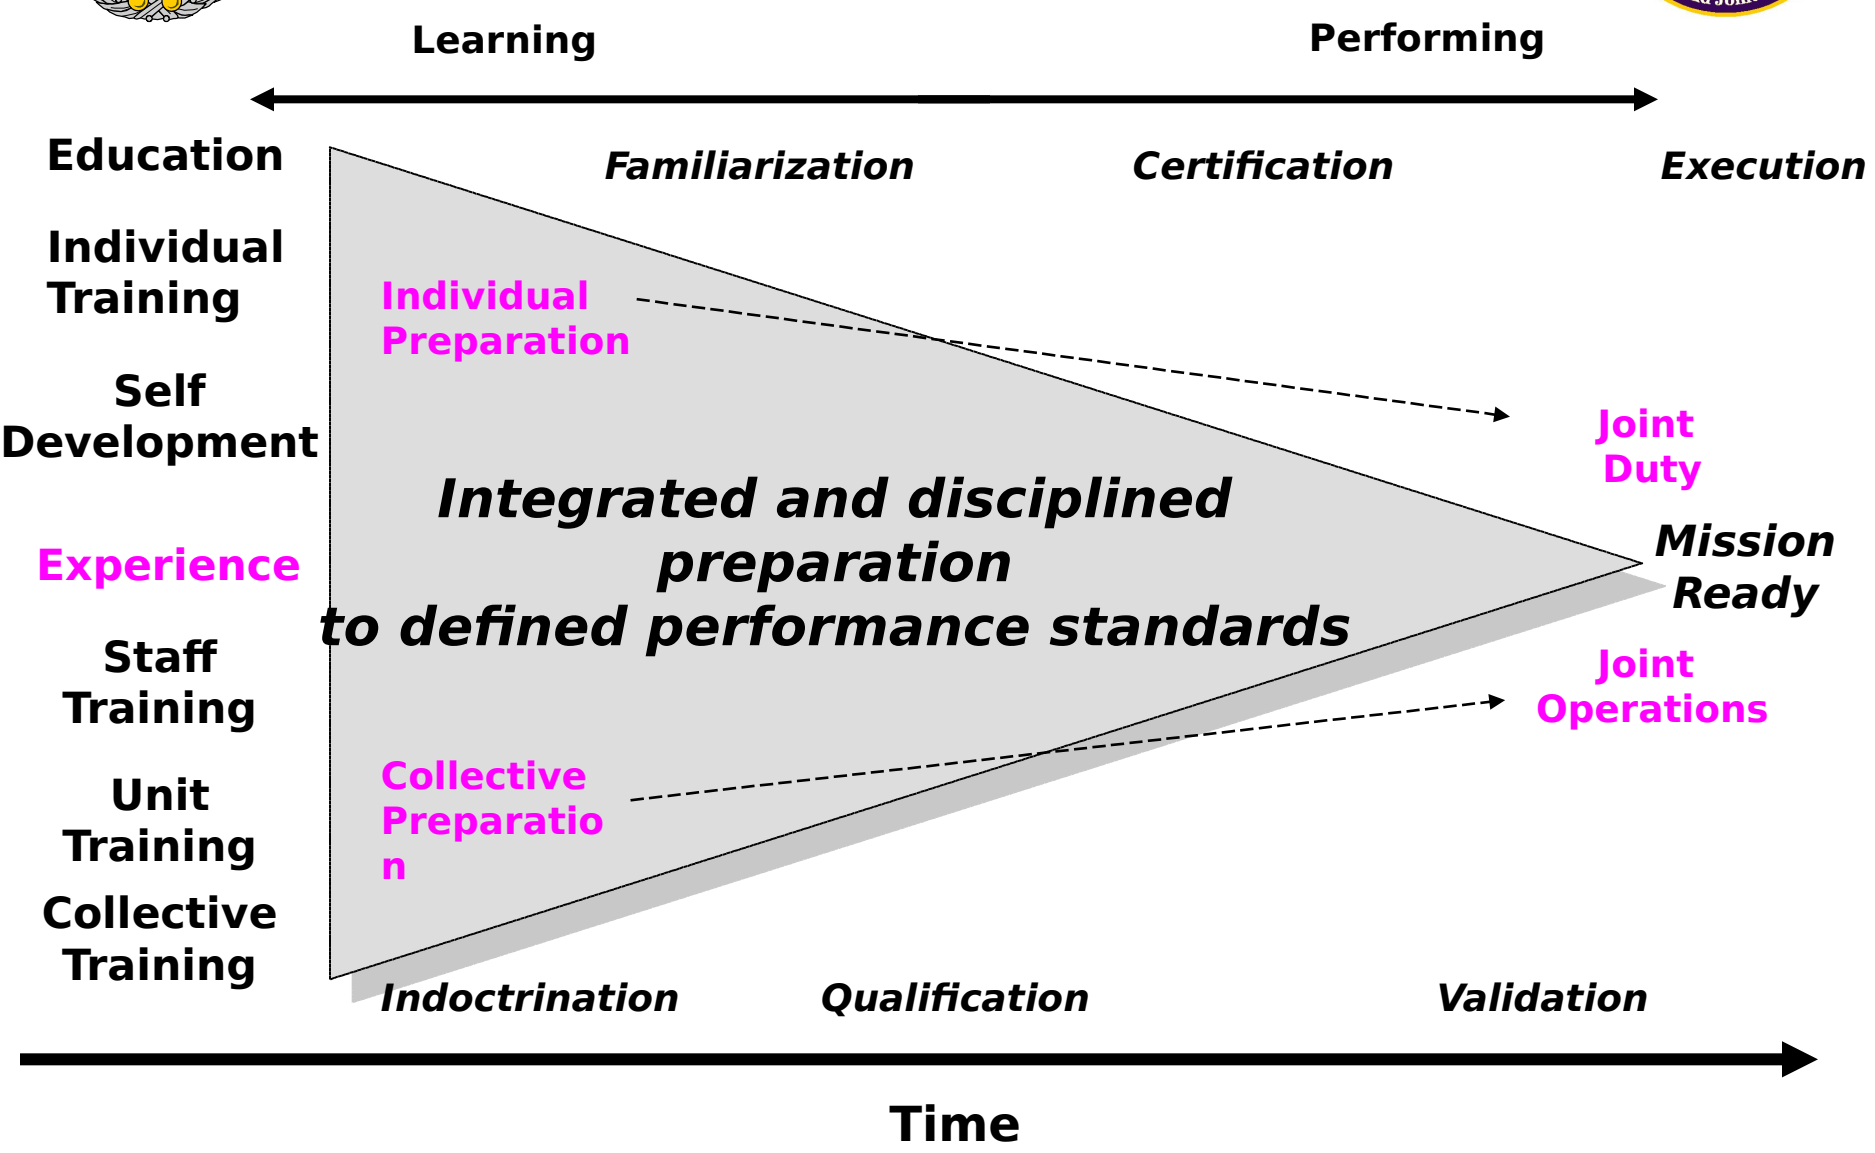
- Broaden *Joint* training focus and link to readiness assessment
- Build an integrated live, virtual and constructive training environment
- Implement Training Transformation tasks to support DOD Strategy
- Implement the Joint Learning Continuum

Joint Learning Continuum

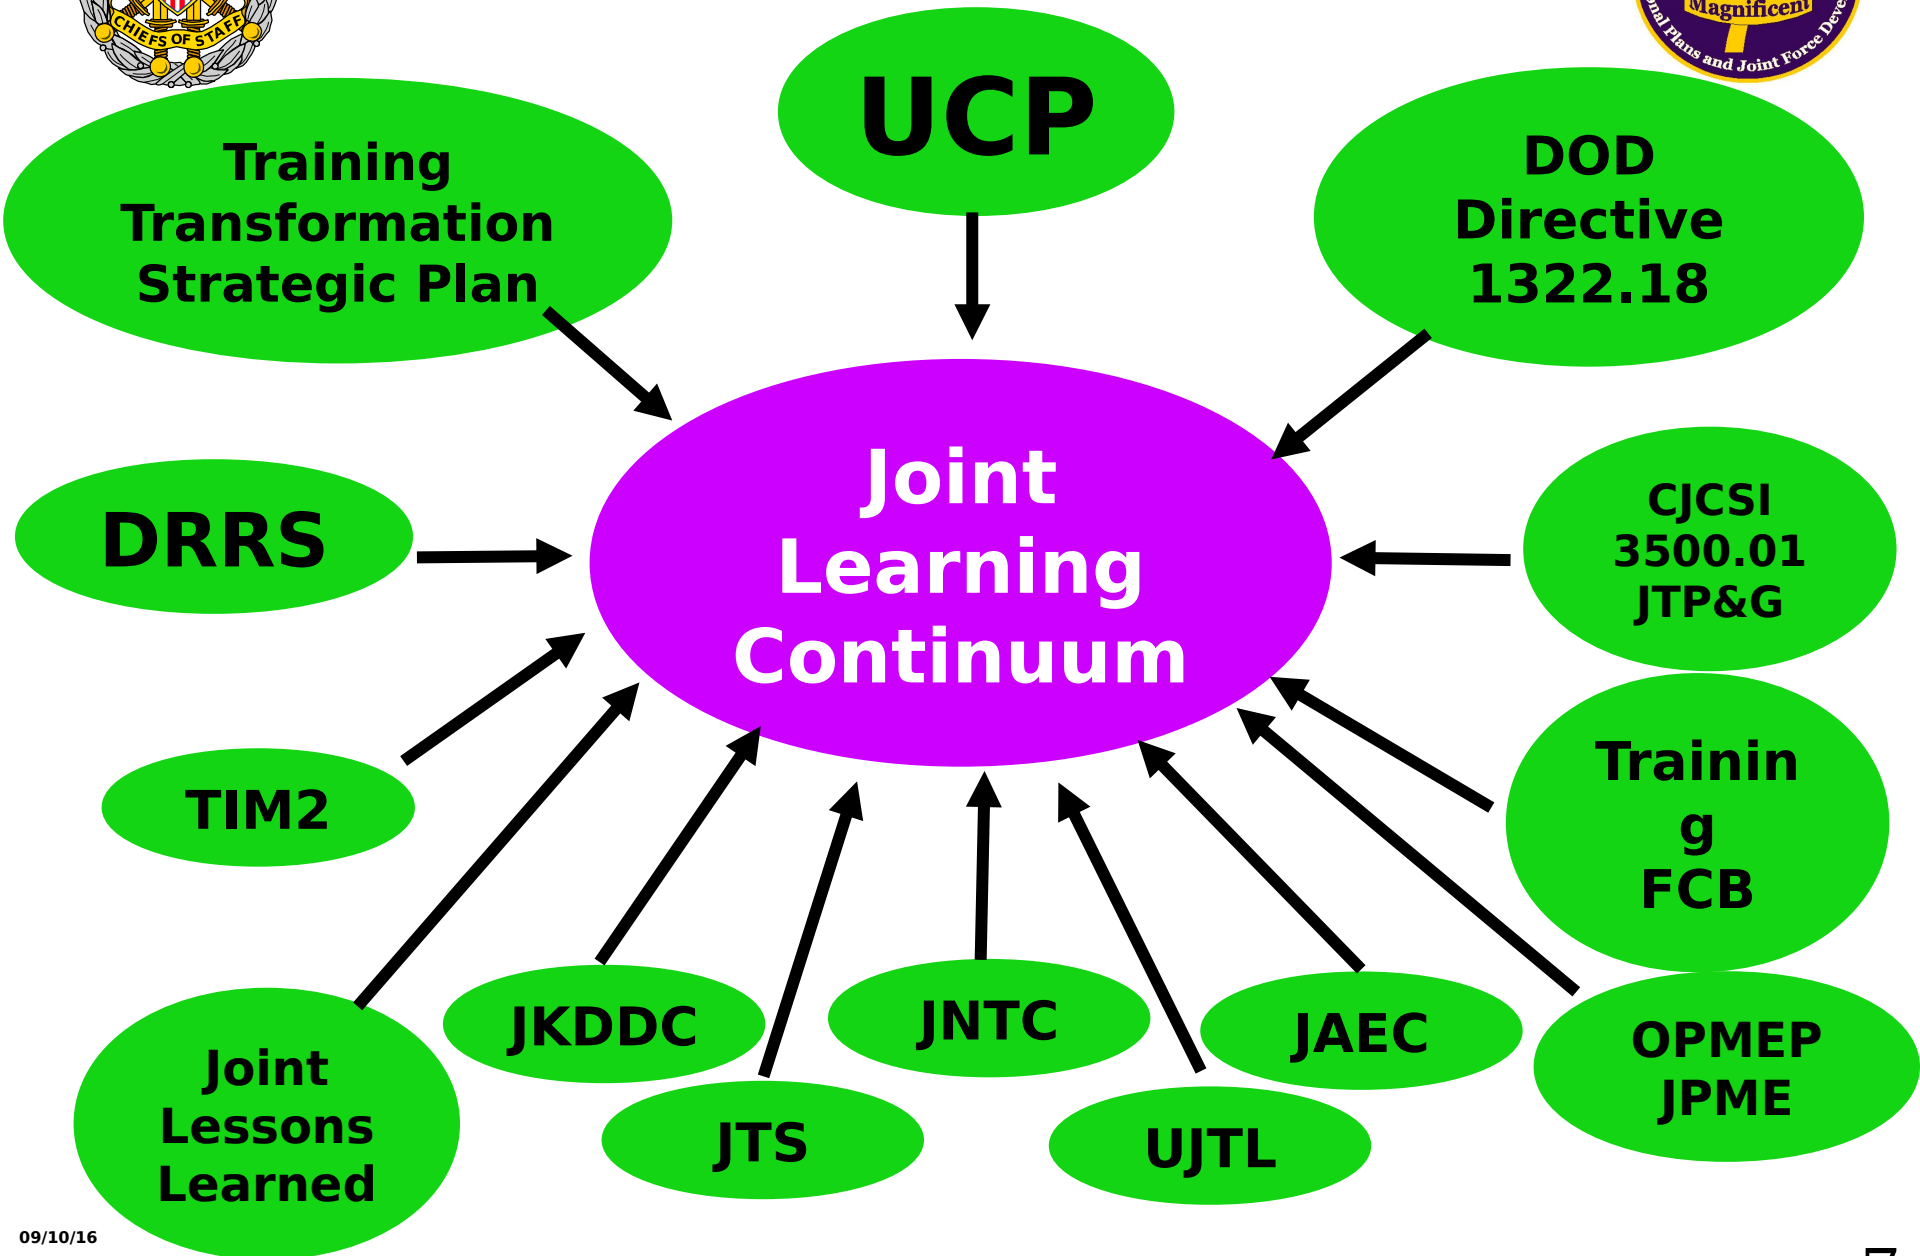
Vision:

"The Armed Forces of the United States, individuals, staffs, and units, continuously trained to standard and certified ready to execute the integrated application of Joint Force capabilities."

Joint Learning Continuum



The Challenge



Conference Objectives

- Provide the Combatant Commands a forum to present their joint training requirements and issues
- Update the Joint Community on current actions/initiatives ongoing with T2, the Joint Learning Continuum, the Next Generation JTIMS, the future UJTL, and DRRS linkage
- Provide a forum to resolve joint training issues
- Establish a plan of action and milestones to resolve remaining joint training issues
- Provide update on current Due Outs/Deliverables

Expectations

- **What you can expect:**
  - Issue-oriented status briefs on JTS, JTIMS, UJTL, DRRS, JLLP, and from JFCOM, CJCS lead agent for joint training
  - Combatant Commands', Combat Support Agencies' and Services top 3-5 joint training issues
- **What we expect to come away with:**
  - A framework for fixing the shortfalls in joint training: individual, staff, collective and component command levels
  - A gameplan how training enablers (JTIMS, JNTC, UJTL, JKDDC, etc.) evolve to support emerging Joint Training Requirements
  - A conceptual framework for the Future JTS
  - Your ideas on how to align CJCS Exercise Program and the JTS to better support GWOT, HD, T2, the CJCS, and the Combatant Commanders
